(2) **Interest Rate Risk.** The entity will minimize the risk that the market value of securities in the portfolio will fall due to changes in general interest rates, by:

- (a) Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
- (b) Investing operating funds primarily in shorter-term securities, money market mutual funds, or similar investment pools.

(B) **Liquidity.** The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets (dynamic liquidity). A portion of the portfolio

also may be placed in money market mutual funds or local government investment pools, which offer same-day liquidity for short-term funds.

(C) **Yield.** The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of secondary importance compared to the safety and liquidity objectives described above. The core of investments are limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall not be sold prior to maturity with the following exceptions:

- (1) A declining credit security may be sold early to minimize loss of principal.
- (2) A security swap would improve the quality, yield, or target duration in the portfolio.
- (3) Liquidity needs of the portfolio require that the security be sold.

**1-5-3 STANDARDS OF CARE.**

(A) **Prudence.** The standard of prudence to be used by investment officials shall be the "prudent person" standard and shall be applied in the context of managing an overall portfolio. Investment officers acting in accordance with written procedures and this investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and the liquidity and the sale of securities are carried out in accordance with the terms of this policy.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

(B) **Ethics and Conflicts of Interest.** Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Employees and investment officials shall disclose any material interests in financial institutions with which they conduct business. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio. Employees and officers shall refrain from undertaking personal investment transactions with the same individual with whom business is conducted on behalf of their entity.

(C) **Delegation of Authority.** Authority to manage the investment program is granted to the City Treasurer and derived from the following: Section 31.060 of the City of DuQuoin Code of Ordinances. Responsibility for the operation of the investment program is hereby delegated to the investment officer, who shall act in accordance with established written procedures and internal controls for the operation of the investment program consistent with this investment policy. Procedures should include references to: safekeeping, delivery vs. payment, investment accounting,

repurchase agreements, wire transfer agreements, and collateral/depository agreements. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the investment officer. The investment officer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials.

**1-5-4      SAFEKEEPING AND CUSTODY.**

(A)      **Authorized Financial Dealer and Institutions.** As list will be maintained of financial institutions authorized to provide investment services. In addition, a list also will be maintained of approved security broker/dealers selected by creditworthiness (e.g., a minimum capital requirement of \$10,000,000 and at least **five (5) years** of operation). These may include "primary" dealers or regional dealers that qualify under Securities and Exchange Commission (SEC) Rule 1C3-1 (uniform net capital rule).

All financial institutions and broker/dealers who desire to become qualified bidders for investment transactions must supply the following as appropriate:

- (1) Audited financial statements.
- (2) Proof of National Association of Securities Dealers (NASD) certification.
- (3) Proof of state registration.
- (4) Completed broker/dealer questionnaire.
- (5) Certification of having read the entity's investment policy.

An annual review of the financial condition and registration of qualified bidders will be conducted by the investment officer. (See the GFOA Recommended Practice on "Governmental Relationships with Securities Dealers," in Appendix 2.)

From time to time, the investment officer may choose to invest in instruments offered by minority and community financial institutions. In such situations, a waiver to the criteria under paragraph (A) may be granted. All terms and relationships will be fully disclosed prior to purchase and will be reported to the appropriate entity on a consistent basis and should be consistent with state or local law. These types of investment purchases should be approved by the appropriate legislative or governing body in advance.

(B)      **Internal Controls.** The investment officer is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the entity are protected from loss, theft or misuse. The internal control structure shall be designated to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that (1) the cost of a control should not exceed the benefits likely to be derived and (2) the valuation of costs and benefits requires estimates and judgments by management.

Accordingly, the investment officer shall establish a process for an annual independent review by an external auditor to assure compliance with policies and procedures. The internal controls shall address the following points:

- (1) Control of collusion.
- (2) Separation of transaction authority from accounting and record keeping.
- (3) Custodial safekeeping.
- (4) Avoidance of physical-delivery securities.
- (5) Clear delegation of authority to subordinate staff members.
- (6) Written confirmation of telephone transactions for investments and wire transfers.
- (7) Development of a wire transfer agreement with the lead bank of third party custodian.

(C) **Delivery vs. Payment.** All trades where applicable will be executed by delivery vs. payment (DVP) to ensure that securities are deposited in an eligible financial institution prior to the release of funds. Securities will be held by a third party custodian as evidenced by safekeeping receipts.

**1-5-5 SUITABLE AND AUTHORIZED INVESTMENTS.**

(A) **Investment Types.** Consistent with the GFOA Recommended Practice on State Statutes Concerning Investment Practices, the following investments will be permitted by this policy and are those defined by state law where applicable:

- (1) U.S. Government obligations, U.S. Government agency obligations, and U.S. Government instrumentality obligations, which have a liquid market with a readily determinable market value;
- (2) Canadian government obligations (payable in local currency);
- (3) Certificates of deposit and other evidences of deposit at financial institutions, bankers' acceptances, and commercial paper, rated in the highest tier (e.g., A-1, P-1, D-1, or F-1 or higher) by a nationally recognized rating agency;
- (4) Investment-grade obligations of state, provincial and local governments and public authorities;
- (5) Repurchase agreements whose underlying purchased securities consist of the foregoing;
- (6) Money market mutual funds regulated by the Securities and Exchange Commission and whose portfolios consist only of dollar-denominated securities; and
- (7) Local government investment pools.

Investment in derivatives of the above instruments shall require authorization by the appropriate governing authority. (See the GFOA Recommended Practice on "Use of Derivatives by State and Local Governments," 1994.)

(B) **Collateralization.** Where allowed by state law and in accordance with the GFOA Recommended Practices on the Collateralization of Public Deposits, full collateralization will be required on non-negotiable certificates of deposit. (See GFOA Recommended Practices, Appendix 2.)

(C) **Repurchase Agreements.** Repurchase agreements shall be consistent with GFOA Recommended Practices on Repurchase Agreements. (See GFOA Recommended Practices, Appendix 2.)

**1-5-6 INVESTMENT PARAMETERS.**

(A) **Diversification.** The investments shall be diversified by:

- (1) Limiting investments to avoid overcoming in securities from a specific issuer or business sector (excluding U.S. Treasury securities);
- (2) Limiting investment in securities that have higher credit risks;
- (3) Investing in securities with varying maturities; and
- (4) Continuously investing a portion of the portfolio in readily available funds such as local government investment pools (LGIPs), money market funds or overnight repurchase agreements to ensure that appropriate liquidity is maintained in order to meet ongoing obligations. (See the GFOA Recommended Practice on "Diversification of Investments in a Portfolio" in Appendix 2.)

(B) **Maximum Maturities.** To the extent possible, the entity shall attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the entity will not directly invest in securities maturing more than **five (5) years** from the date of purchase or in accordance with state and local statutes and ordinances. The entity shall adopt weighted average maturity limitations, consistent with the investment objectives.

Reserve funds and other funds with longer-term investment horizons may be invested in securities exceeding **five (5) years** if the maturity of such investments are made to coincide as nearly as practicable with the expected use of funds. The intent to invest in these types of securities shall be disclosed in writing to the legislative body. (See the GFOA Recommended Practice on "Maturities of Investments in a Portfolio" in Appendix 2.)

**1-5-7 REPORTING.**

(A) **Methods.** The investment officer shall prepare an investment report at least quarterly, including a succinct management summary that provides a clear picture of the status of the current investment portfolio and transactions made over the last quarter. This management summary will be prepared in a manner which will allow the entity to ascertain whether investment activities during the reporting period have conformed to the investment policy. The report should be provided to the investment officer, the legislative body, and any pool participants. The report will include the following:

- (1) Listing of individual securities held at the end of the reporting period.

- (2) Realized and unrealized gains or losses resulting from appreciation or depreciation by listing the cost and market value of securities over **one (1) year** duration that are not intended to be held until maturity (in accordance with GASB requirements).
- (3) Average weighted yield to maturity of portfolio on investments as compared to applicable benchmarks.
- (4) Percentage of the total portfolio which each type of investment represents.

(B) **Performance Standards.** The investment portfolio will be managed in accordance with the parameters specified within this policy. The portfolio should obtain a market average rate of return during a market/economic environment of stable interest rates. A series of appropriate benchmarks shall be established against which portfolio performance shall be compared on regular basis.

(C) **Marking to Market.** The market value of the portfolio shall be calculated at least quarterly and a statement of the market value of the portfolio shall be issued at least quarterly. This will ensure that review of the investment portfolio, in terms of value and price volatility, has been performed consistent with the GFOA Recommended Practice on Mark-to-Market Practices for State and Local Government Investment Portfolios and Investment Pools. (See GFOA Recommended Practices, Appendix 2.)

**1-5-8 POLICY CONSIDERATIONS.**

(A) **Exemption.** Any investment currently held that does not meet guidelines of this policy shall be exempted from the requirements of this policy. At maturity or liquidation, such monies shall be reinvested only as provided by this policy.

(B) **Amendment.** This policy shall be reviewed on an annual basis. Any changes must be approved by the investment officer and any other appropriate authority, as well as the individual(s) charged with maintaining internal controls.

**ARTICLE VI - MANAGEMENT ASSOCIATION**

**1-6-1**        **PARTICIPATION.** The City Council does hereby authorize and approve membership in the Illinois Municipal League Risk Management Association and directs the Mayor and Clerk to execute an Intergovernmental Cooperation Contract with the Illinois Municipal League Risk Management Association for membership for a period of **one (1) year** beginning the date the Association commences providing risk coverage to its members and each year thereafter unless this ordinance is repealed.

**1-6-2**        **CONTRIBUTION.** Each member hereby agrees to contribute to the Association a sum of money to be determined by the Association at the time of application based on the needs of the Association and the loss experience of the Member, which sum shall constitute the cost of the Member's first year contribution for membership in the Association. Membership contributions for second and subsequent years shall be calculated in accordance with the loss experience of the City, and the needs of the Association including total losses and expenditures of the Self-Insured Retention Fund of the Association.

**ARTICLE VII – MEETING PROCEDURES**

**DIVISION I – RECORDING CLOSED MEETINGS**

**1-7-1 RECORDING CLOSED SESSIONS.** The City shall keep a verbatim record of all closed or executive session meetings of the corporate authorities of the City or any subsidiary “public body” as defined by the Illinois Open Meetings Act, **5 ILCS 120/1**. The verbatim record shall be in the form of an audio or video recording as determined by the corporate authorities. **(See 5 ILCS 120/2)**

**1-7-2 RESPONSIBILITY FOR RECORDING CLOSED SESSIONS AND MAINTAINING RECORDINGS.** The City Clerk or his or her designee shall be responsible for arranging for the recording of such closed or executive sessions. In the absence of the City Clerk or his or her designee, the meeting Chair will arrange for the audio or video recording of the closed or executive session of the City Council. Each subsidiary public body of the City shall designate an individual who will be responsible for the recording of any and all closed or executive sessions of the subsidiary body and for providing the City Clerk with a copy of such recording. The City Clerk, or his or her designee, shall securely maintain the verbatim recordings of all closed sessions of the corporate authorities of the City and all subsidiary public bodies of the City.

**1-7-3 CLOSED SESSION MINUTES.** In addition to the recordings of the closed and executive session as addressed in this Division, the City will keep minutes of all closed meetings in accordance with the requirements of the Open Meetings Act, **5 ILCS 120/2.06**.

**1-7-4 PROCEDURE FOR RECORDING.** At the beginning of each closed session, those present shall identify themselves by voice for the audio recording. If the meeting is videotaped, those present shall individually appear on camera and identify themselves by voice at the beginning of the closed session. The meeting Chair shall also announce the times the closed session commences and ends at the appropriate points on the recording.

**1-7-5 BACK-UP EQUIPMENT/PROCEDURE FOR EQUIPMENT MALFUNCTION.** The City shall maintain sufficient tapes, batteries and equipment for the City to comply with this Division. The City Clerk or his/her designee shall periodically check the equipment to confirm that it is functioning. In the event that anyone present at a closed session determines that the equipment is not functioning properly, the closed session will be temporarily suspended to attempt to correct any

malfunction. In the event that an equipment malfunction cannot be corrected immediately, the closed session will terminate until such time as the closed session may proceed with a functioning recording device.

**1-7-6 PROCEDURE FOR REVIEW OF CLOSED SESSION MINUTES AND RECORDINGS.** At one meeting at least every **six (6) months**, the agenda shall include the item: "Review of the minutes and recordings of all closed sessions that have not yet been released for public review, and determination of which minutes, if any, may be released." Minutes shall be reviewed in closed session and shall not be released unless the corporate authorities of the City find that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential. As to any minutes not released, the corporate authorities shall find that the "need for confidentiality still exists" as to those minutes. Minutes of closed sessions shall be kept indefinitely.

**1-7-7 MAINTENANCE AND PUBLIC RELEASE OF RECORDINGS AND ACCESS TO TAPES.** The audio or video tape recordings of closed sessions shall be maintained for **eighteen (18) months** after the closed session and shall not be released to the public unless such release is required by a court order or specifically authorized for release by a vote of the City Council. Members of the corporate authorities may listen to the closed session recordings in the presence of the City Clerk or his or her designee. Copies of such tapes will not be made or provided to anyone unless specifically authorized by vote of the City Council.

**1-7-8 PROCEDURE FOR DESTRUCTION OF RECORDINGS.** The City Clerk or his or her designee is hereby authorized to destroy the audio and video recordings of those closed sessions for which:

(A) The corporate authorities of the City have approved the minutes of the closed sessions as to accurate content, regardless of whether the minutes have been released for public review;

(B) More than **eighteen (18) months** have elapsed since the date of the closed session;

(C) There is no court order requiring the preservation of such recording; and

(D) The corporate authorities of the City have not passed a motion requiring the preservation of the verbatim recording of that meeting.

**1-7-9 - 1-7-10 RESERVED.**

**DIVISION II – REMOTE MEETING PARTICIPATION**

**1-7-11 STATUTORY AUTHORITY FOR PARTICIPATION.** Pursuant to Public Act 94-1058 which amends the Open Meetings Act in **5 ILCS 120/7**, this City does hereby establish a policy that permits members of the corporate body to attend meetings by means other than physical presence. **(See Appendix "A")**

**1-7-12 DEFINITION OF MEETING.** The term "meeting" shall mean "any gathering, whether in person or by video or audio conference, telephone calls, electronic means (such as, without limitation, electronic mail, electronic chat and instant messaging), or other means of contemporary interactive communication, of a majority of a quorum of the members of a public body held for the purpose of discussing public business" or such other definition as shall be contained within the state statutes.

**1-7-13 AMENDMENT OF PREVIOUS TERMS.** The definition of "meeting" set forth in **Section 1-7-12** shall supersede and replace any other definition used in any previous or existing ordinance.

**1-7-14 REMOTE PARTICIPATION POLICY.** The City hereby adopts the Remote Participation Policy, as outlined in Addendum "A", that permits a member of the public body to attend and participate in any meeting of a public body as defined in the Open Meetings Act from a remote location via telephone, video, or internet connection provided that such attendance and participation is in compliance with the policy and any applicable laws.
